Promoted by Anne Cassels on behalf of Alasdair Keddie, both at 10 Glen Road, Bournemouth, BH5 1HR.
Printed on 100% recycled paper by Solopress, 9 Stock Road, Southend-on-Sea, Essex, SS2 5QF.

The Green Party's vision of creating a fair society whilst limiting the worst effects of climate change resonates strongly with me.

A better future is possible: proper NHS funding, green affordable public transport and schools that prepare coming generations for what lies ahead. A Green New Deal for carbon neutrality by 2030 and investment in our housing, energy, transport and infrastructure, laying solid foundations for the challenges ahead.

BOLD CLIMATE ACTION

PEOPLE'S VOTE ON OUR EU FUTURE

DEFEND THE NHS

REVERSE AUSTERITY CUTS

AFFORDABLE HOUSING

Green Party

MAKE IT THE
#CLIMATE ELECTION
NOT THE BREXIT ELECTION
