Climate Change has to be at the top of the agenda in the next parliament. Steps have to be taken urgently to reduce our impact on the planet.

We need change, politics is broken, and we need fresh representation, people who represent all of us. I'm an elected BCP Councillor, but I'm not a politician. I'm here because I believe we can do things better. We can work for the common good, create change, and make a fair society for all.
