YOUR

Green Party

EAST CLIFF & SPRINGBOURNE CANDIDATES

PROTECT THE COMMUNITY

Redirect CCTV to known local hotspots for criminal and antisocial behaviour.
Encourage people to report crimes to make sure that resources are allocated where they are needed most.

SARA

I'm a single mum to 2 grown up children and have lived in the area for 20 years. I have worked for local charities, the council and the NHS. I'm passionate about championing community issues and I want more for our neighbourhood than the current status quo. I firmly believe that when we work together, we can all thrive.

INCREASE TRANSPARENCY

Confidence in the current council leadership is at an all-time low. Our approach is open, honest and inclusive. We will listen to you and take action on your concerns, and keep you informed on local issues.

PAUL

I am a family man with a successful business. However, growing up I experienced poverty and homelessness and I can therefore understand the issues that may lead to this. Since opening the Firkin Shed in 2015, we have developed close connections with the local community and have regular fundraising events for the Foodbank and other charities.

CLEANER, WELL-MAINTAINED STREETS

Targeting known fly tipping areas and requesting clearance as required. Resurfacing of Holdenhurst Road is planned for October 2023, we will be vigilant that this goes ahead and will monitor the condition that utility companies leave our roads in after works.

LOUISE

Having spent the last 25 years working locally as a mental health nurse I have gained valuable insights into the workings of the NHS and social care. Each day I spend my time listening to and advocating for the people I meet. My current role is supporting people living with dementia to realise their potential.

LOCAL DEVELOPMENT

East Cliff and Springbourne deserve a neighbourhood plan. Together with our community forums we will create a vision for our area and support them to bring about change.

Each of your candidates are living within the East Cliff & Springbourne Ward. We represent change from political business as usual. We are free to vote for the interests of the people in East Cliff & Springbourne, there is no expectation that we vote in a block with other Green Party members who are also on the council. We will listen to your concerns with regular local surgeries.

Don't forget to bring your voter ID when you attend to vote on May 4th.

You can contact us by email at: eastcliffandspringbourne@bcp.greenparty.org.uk if you would like to know more or to get involved with distributing leaflets and canvassing with us.

Please display the poster on the other side of this leaflet in your window.
