BOURNEMOUTH, CHRISTCHURCH & POOLE COUNCIL ELECTION — THURSDAY 4TH MAY

ELECT ALASDAIR KEDDIE & NICOLE NAGEL

Vote for the **hard-working, independently minded local campaigners**

Alasdair deposits 18 bags of rubbish for collection after a community litter pick

Alasdair Keddie writes: "I live in Charminster with my young family and as such **this area matters deeply to me**. Having lived here for **22 years** I am very aware of the issues that residents face on a day-to-day basis, including **parking, vehicle crime, graffiti and anti-social behaviour**."

"I am **committed to improving Queen's Park for everyone who lives here**."

Alasdair & Nicole campaigned for temporary CCTV to be installed at crime hotspot

Nicole added: "Having lived in Charminster for over a decade, I have **spoken to a large number of our residents** about issues that matter the most to them: **less vanity projects and more investment in our community**."

"So, please consider **giving both your votes to the Green Party** on 4th May, so that we can do even more for you as a councillor team."

ALASDAIR & NICOLE'S TOP PRIORITIES

1) Cleaner, safer streets

Restore pride in our local area by making sure the streets are clear of litter and dog mess, provide safe walking routes to local schools, and tackle speeding and dangerous driving.

2) Better access to Council services

With nearly 10% of Queen's Park residents living without internet access, we need to make sure vital services are still accessible for all.

3) Improve and protect our local play areas

Make sure repairs are carried out promptly, and champion investment in new equipment and facilities.

4) Keep listening to, helping and informing residents

If elected, Alasdair and Nicole will respond to residents' concerns, run regular resident surgeries, and keep you informed with year-round newsletters and on social media.

IT'S THE CONSERVATIVES OR ALASDAIR & NICOLE FROM THE GREEN PARTY

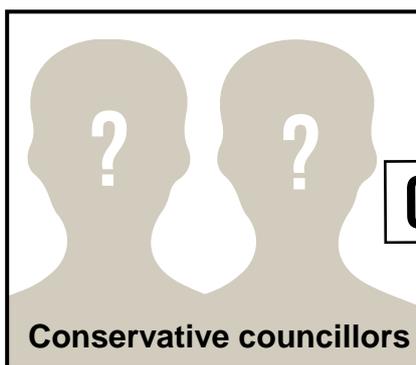

More of the same council chaos

Barely seen outside of election time

Told what to do and how to vote by a party whip

CONSERVATIVE BUDGET CHAOS IN BCP

Conservative-run BCP Council has been deep in **financial chaos**. Its **Leader recently resigned**. This all follows **debt-piling**, and Government blocking a **“dodgy deal”** to keep BCP solvent by selling off local beach huts. This has now led to the **maximum 4.99% Council Tax rise** for 2023/24, plus **£32.9m of cuts** including to the **communities team**.

Alasdair Keddie commented: **“Local Conservative mismanagement of the budget** has now resulted in the need for **cuts across services**. Meanwhile **vanity projects** such as beach BBQs and a Freeport bid **were prioritised**.

“We need a budget which works for the residents of BCP and the sustainable future of our three towns.”

OUR PLAY AREAS NEED IMPROVEMENT

The **play areas in Cyril Park and Queen’s Park** are **looking tired**, with equipment removed or in need of repair and replacement.

Nicole says: “These play areas are a **vital resource for local families**. Our priority would be to improve these facilities. **Local children deserve better.**”

Greens successfully pressed the Council to make improvements to the **Mallard Road play park**.

POOLE HARBOUR OIL SPILL “RISKS WILDLIFE, TOURISM AND JOBS”

On Sunday 26th March 2023, a **major incident was declared** following an **oil spill in Poole Harbour**.

Hard-working local campaigner **Alasdair Keddie spoke** at a well-attended **community protest** the next day. BCP’s Green councillors also attended.

Reckless oil extraction in Poole Bay poses an **unacceptable risk to our local wildlife, tourism and jobs**. The recent oil spill is just one of a string of incidents in recent years at **Poole’s Wytch Farm – Europe’s largest oilfield**.

Alasdair Keddie said: **“Wytch Farm is years past its intended lifespan**. Local **Green councillors you elect this 4th May** will push for it to be **decommissioned urgently.**”

NICOLE DISTRIBUTES SURPLUS FOOD TO THE COMMUNITY

Nicole runs a **weekly surplus food distribution**. Food is collected each week from supermarkets, and **shared within the local community**.

Nicole says: **“This not only helps local people** by providing food but also **stops food being wasted** and going into landfill.”
