

Dear Neighbour

I'm writing to you because I know that you, like me care about our local area. I know that you like me, want our streets to be cleaner, free from danger and our parks to be safe, green spaces.

We all depend on our public services like the police, the NHS and we need them to be run effectively. Our families deserve to be part of a strong, sustainable and compassionate, local community.

Please vote for me in our by-election on June 29th. I am standing for council because I want to make things better for all of us. Some of you I've known for years, some I've known and met over the last few weeks. As neighbours we are all raising the same concerns - rubbish on pavements, potholes, graffiti and dog mess. It's not good enough. Our area's been taken for granted and neglected. I live here too and I see these problems every day. I want to do something about it. I won't pretend I can change things immediately, but I can promise to work hard, do my best and I will always stand up for our area.

This by-election is likely to be close between me and the Labour candidate last time I was just 12 votes away from winning.

Please use your VOTE to help me make a difference for our community.

With best wishes
Sara
