## WINTON EAST

**Green Councillor  
Simon Bull**

**Local activist  
Chris Rigby**

**BOURNEMOUTH, CHRISTCHURCH & POOLE COUNCIL ELECTION – THURSDAY 2<sup>ND</sup> MAY**

# RE-ELECT SIMON BULL AND ELECT CHRIS RIGBY

**Vote for the hard-working, independently minded local campaigners**

**Simon's campaigns have saved the public toilets in Winton Rec and Winton town centre**

Green Councillor Simon Bull writes: "It has been an honour to serve the people of Winton East for the last four years as Bournemouth's first Green councillor. After **14 years living here**, this area matters deeply to me. As you'll have seen in our newsletters, I've **worked hard on a wide range of issues** from parking to litter, public toilets to oil, housing to green space."

**Simon and Chris are keeping up pressure for Winton Library Gardens to be reopened**

Winton resident and campaigner Chris Rigby added: "Like Simon I have the **skills, time, experience and determination** to make a **real difference here**. You know that it's the Green Party who work hardest all year round here."

"So, please consider **giving both your votes to the Green Party** on 2<sup>nd</sup> May, so that we can do even more for you as a councillor team."

## SIMON AND CHRIS'S TOP PRIORITIES

- 1) Keeping neighbourhood facilities open**  
With Conservative austerity cuts ongoing, we're likely to need more of Simon Bull's successful campaigns which have saved public toilets in Winton Rec and town centre.
- 2) Cherish Winton's green spaces, don't close them**  
Prioritise our green space, re-open Winton Library Gardens.
- 3) NO new oil drilling off Bournemouth Beach – instead our council must recognise the climate emergency.**
- 4) Action on empty homes** – Pressure the council to act on Bournemouth's 1,000 empty homes and soaring rents.
- 5) Better parking, better transport** – Push the council to improve management of Winton's scarce parking. Protect and improve public transport, cycle routes, road surfaces.
- 6) Keep listening to, helping and informing residents**  
Simon and Chris will continue to respond to residents' concerns, run regular resident surgeries and keep you informed with year-round newsletters and social media.

## IT'S THE CONSERVATIVES OR SIMON AND CHRIS FROM THE GREEN PARTY HERE

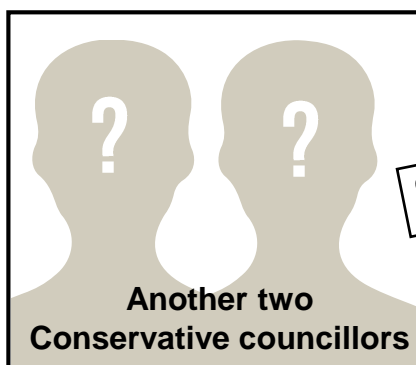

Rarely heard from outside election time

Don't run resident surgeries

Told by the Conservatives how to vote

**OR**

Working hard all year round

Run regular resident surgeries

Free to vote for our area's interests

**VOTE GREEN: ONLY SIMON BULL AND CHRIS RIGBY OR THE CONSERVATIVES CAN WIN HERE**

# THE GREEN PARTY WORKS HARDEST ALL YEAR ROUND HERE

## Even if others pop up at election time!

### DON'T RISK LOSING YEAR-ROUND WORK FROM COUNCILLOR SIMON BULL AND THE GREEN PARTY

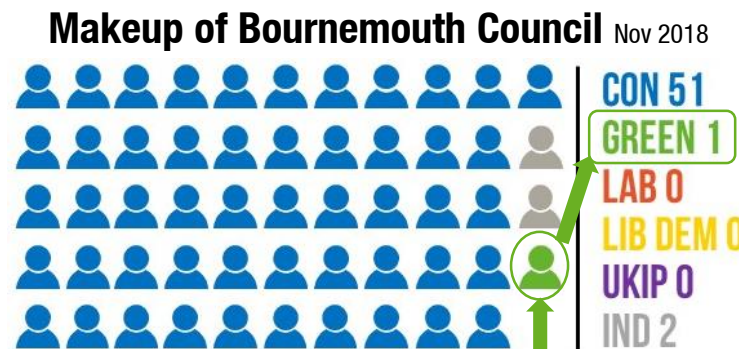

#### PARKING ENFORCEMENT: COUNCILLOR SIMON BULL REPORTS BACK

Councillor Simon Bull has had a response from Bournemouth Council's traffic department to the Winton resident concerns reported in our March edition. They state that mobile parking monitoring and enforcement are in place in Winton, and they will respond to complaints from residents. Parking on a corner is a police (not council) matter if no double yellow line.

Simon says: "I'll continue to monitor the parking situation in Winton. **If you have any concerns or comments** about local parking, please do contact me using the details below."

#### OUR LOCAL 'TORY ONE-PARTY STATE' BENEFITS NO ONE

Nearly all of Bournemouth's councillors are Conservative. Whatever your politics, this is **unhealthy for our local democracy and services**. Independent research shows that councils with hardly any opposition voices holding them to account deliver **worse value for money** than councils with more balance, more debate and more scrutiny.

Last time **our area elected the Green Party's Simon Bull** who is the only Bournemouth councillor from a party other than the Conservatives.

This time many residents here who don't regularly vote Green are **lending their support to Simon Bull and Chris Rigby**, as hard-working candidates who **can win**, speak freely for Winton, and hold the new Bournemouth, Christchurch & Poole Council to proper account.

#### IT'S SO CLOSE HERE BETWEEN THE CONSERVATIVES AND GREEN PARTY

**Results in Winton East at last council election**
